

MY PAL GEORGE

Color Me...and Take Me With You!
(Make sure to turn me over)

Hi. I'm your new pal George. I can't wait to go on adventures with you while you share facts about me with people you know!

I, George Washington, was the very first president of the United States of America. George is also the name of our current President – George W. Bush.

My image will soon be on the new Presidential \$1 Coins – in fact, former presidents will be on the new \$1 coins in the order they served in office. In 2007, the first four presidents will have images on the new \$1 coins; George Washington, John Adams, Thomas Jefferson and James Madison. As part of your adventure, ask your family and friends if they can name the first four presidents.

Carry me around sharing facts with your family and friends. Write down your adventures and share stories about what you have learned, and what you have taught others.
